

专题 02 推理判断题-据文推理慎甄选

推理判断题属于高层次的阅读理解题。解答该类题目时一定要从整体上把握语篇内容，在语篇的表面意义与隐含意义、已知信息与未知信息之间架起桥梁，透过字里行间，去体会作者的“弦外之音”和“言外之意”。在进行推断时，要据文推理、合情推理，不可脱离原文主观臆断。

一、推理判断题的 4 大题型

	考查内容	设问方式
(一)细节推理题	细节推理题要求根据语篇内容，推断具体细节，如时间、地点、人物关系、人物身份、事件等。一般可根据短文提供的信息，或者借助生活常识进行推理判断。只有正确把握文章的内在联系，理解文章的真正含义，才可能作出准确的推断。	注意题干中常用的六个动词： infer、 indicate、 imply、 suggest (暗示)、 conclude。 该类题型常见的设题形式有： ①It can be inferred/concluded from the text that _____. ②The writer/author indicates/suggests/implies that _____. ③What can we infer about ... ?
(二)写作意图题	一般来说，作者在文章中不直接陈述自己的写作意图，而是通过文章中所提供的事实使读者信服某种想法或观点。这种题型要求学生在理解文章大意的基础上进行归纳总结和推理判断。	该类题型常见的设题形式有： ①What is the main purpose of the text ? ②What is the purpose/intention of the author in writing this passage ? ③For what purpose did the author write the passage ? ④The writer writes this passage in order to_____.
(三)观点态度题	学生要通过分析文中的用词、语气	该类题型常见的设题形式有：

	和对细节的描述来体会字里行间流露的情感或态度，从而推断出作者或文中人物的言外之意。	①How does the author feel about ... ? ②What does the author think of ... ? ③What is the author's attitude towards/to ... ?
(四)文章出处题 或读者对象题	学生要根据文章的体裁和题材来推断文章的出处或类别。读者对象题要求根据文章内容和文中的措辞推断文章的读者对象。	该类题型常见的设题形式有： ①In which of the following would this passage most likely be found ? ②Where is this text probably taken from ? ③The passage is probably intended for _____.

二、推理判断题的 6 大命题陷阱

推理判断题是为了考查学生能否读懂文章中字里行间的隐含含义，能否以文章中所叙述的事实为依据，经过自己的思考和判断进行客观的推理，从而得出结论。因此，命题人为了达到这个考查目的，常常设置一些干扰项，没读懂文章的学生很容易受其“迷惑”而“误入歧途”，掉入命题人精心设置的“陷阱”中。

陷阱(一) 主观臆断

某些选项没有基于原文进行推断，而是主观猜测想象或根据常识进行猜测。

【典例】 Today's figures, according to one government official, show the positive influence the sugar tax is having by raising millions of pounds for sports facilities (设 施) and healthier eating in schools.Helping the next generation to have a healthy and active childhood ... 35.What can be inferred about the adoption of the sugar tax policy ? A. It is a short-sighted decision.	解析 根据选段第一句可知，糖税政策的实施，产生了积极的影响，它为学校的体育设施和健康饮食筹集了数百万英镑。由此推断出，该政策是成功的。 自主解答 ____
---	---

B.It is a success story.	
C.It benefits manufacturers.	
D.It upsets customers.	

陷阱(二) 过度推断或以偏概全

有时作者仅简单、客观地叙述事实，并未作出评论，而一些选项却扩大作者的叙述范围、进行过度推断；或者一些选项仅针对原文中某一句话进行推断，而忽略了其他信息，造成以偏概全。

【典例】 They moved in with a local family, the Harrisons, and, like them, had little privacy, rare baths, and a blanket of snow on their quilt when they woke up in the morning.Some mornings, Rosamond and Dorothy would arrive at the schoolhouse to find the children weeping from the cold.In spring, the snow was replaced by mud over ice. 25.What can we learn about the girls from paragraph 3 ? A. They enjoyed much respect. B.They had a room with a bathtub. C.They lived with the local kids. D.They suffered severe hardships.	解析 根据选段内容可知，她们和当地的一户人家一起生活，和他们一样，几乎没有隐私，很少洗澡，早上醒来的时候，被子上覆盖着一层雪。有时候她们早上到学校后，发现孩子们冻得直哭。春天，雪被冰上的泥所代替。由此可推知，两个女孩支教的地方生活条件异常艰苦，她们饱受磨难。干扰选项 B、C 表述片面，造成以偏概全；选项 A 没有基于原文推断，属于主观臆断。 自主解答 ____
--	---

陷阱(三) 偷换概念

某些干扰选项的内容与原文句子结构、词汇使用高度相似，仅在易忽视的地方略微改动某个词或表达方式，或截取部分原文中出现过的关键词，但整体意思不符合原文主旨，此类选项干扰性较强。

【典例】 Andrew Reynolds, a cheerful fellow in his early 30s, pilots Sydney ferryboats for a living.I spent the whole morning shuttling back and forth across the harbor. After our third run Andrew shut down the engine, and we went our separate ways — he for a lunch break, I to explore the city.	解析 根据选段第二段中的 I'll miss these old boats 以及选段最后一段中的 Oh, they're replacing them with catamarans.Catamarans are faster, but they're not so elegant, and they're not fun to pilot.可以推断，Andrew Reynolds 很喜欢这些旧渡船。
---	--

“I'll miss these old boats,” he said as we parted. “How do you mean ?” I asked. “Oh, they're replacing them with catamarans. Catamarans are faster, but they're not so elegant, and they're not fun to pilot. But that's progress, I guess.” 33.What can we learn about Andrew Reynolds ? A. He goes to work by boat. B.He looks forward to a new life. C.He pilots catamarans well. D.He is attached to the old ferries.	选项 C 属于偷换概念，文中虽然提到 Andrew Reynolds 通过开“渡船”来谋生，但这并不能说明他开“双体船”开得好；B 项在文中并未提及，属于主观臆断。 自主解答 ____
---	--

陷阱(四) 逻辑颠倒

某些选项颠倒原文逻辑，例如因果倒置、目的与手段倒置等。

【典例】 About 98 cents of every duck stamp dollar goes directly into the Migratory Bird Conservation Fund to purchase wetlands and wildlife habitat for inclusion into the National Wildlife Refuge System — a fact that ensures this land will be protected and available for all generations to come.Since 1934, better than half a billion dollars has gone into that Fund to purchase more than 5 million acres of habitat.Little wonder the Federal Duck Stamp Program has been called one of the most successful conservation programs ever initiated. 30.What is a direct result of the Act passed in 1934 ? A. The stamp price has gone down. B.The migratory birds have flown away. C.The hunters have stopped hunting. D.The government has collected money.	解析 根据选段中的About 98 cents of every duck stamp dollar goes directly into the Migratory ...land will be protected and available for all generations to come.可知，联邦政府将出售鸭票的部分收入投入候鸟保护基金，用来保护水禽、湿地和野生动物栖息地。该项法案的直接结果是政府筹集到了大量资金。干扰选项 B 说候鸟飞离，是 1934 年颁布法案的原因，而非颁布法案的结果，属于逻辑颠倒。 自主解答 ____
--	---

陷阱(五) 背离主题

某些选项背离了文章的主题思想，是对原文的曲解。

【典例】 Everywhere in Sydney these days, change and progress are the watchwords (口号), and traditions are increasingly rare.Shirley Fitzgerald, the city's official historian, told me that in its rush to modernity in the 1970s, Sydney swept aside much of its past, including many of its finest buildings. “Sydney is confused about itself,” she said. “We can't seem to make up our minds whether we want a modern city or a traditional one.It's a conflict that we aren't getting any better at resolving (解决).” 34.What does Shirley Fitzgerald think of Sydney ? A. It is losing its traditions. B.It should speed up its progress. C.It should expand its population. D.It is becoming more international.	解析 根据选段中的 Sydney swept aside much of its past, including many of its finest buildings 和 “Sydney is confused about itself,” she said. “We can't seem to make up our minds whether we want a modern city or a traditional one.”可以看出，Shirley Fitzgerald 认为在奔向现代化的过程中，悉尼摒弃了许多自己过去的东西，包括那些精美的建筑物。干扰选项 B 说悉尼应该加快现代化的过程，属于背离主题。 自主解答 ____
---	--

陷阱(六) 事实复述

某些选项仅仅是对原文事实进行简化复述，而非推断得出的结论。

【典例】 Still, most of us volunteers breathe a sigh of relief when the season comes to a close.That relief is coupled with a deep understanding of why the same people keep coming back for more: Connecting to the community (社区) as you freely give your time, money, skills, or services provides a real joy.Volunteering just feels	解析 根据选段第二段中的 However, if others benefit ...my motivation lies ? 会误选 D，而 D 项直接简单复述了原文 I get some reward ；根据文中的关键信息 That relief is coupled with a deep ...people keep coming back for more: Connecting to the community (社区) as you freely give your time, money, skills, or services provides a real joy.Volunteering just feels so good.可
--	--

so good. In that sense, I'm pretty sure volunteering is more of a selfish act than I'd freely like to admit.However, if others benefit in the process, and I get some reward too, does it really matter where my motivation lies ? 27.Why does the author like doing volunteer work ? A. It gives her a sense of duty. B.It makes her very happy. C.It enables her to work hard. D.It brings her material rewards.	以推断出作者愿意做志愿者工作的理由。 自主解答 ____
---	--

推理判断题的 7 大解题技法

推理判断题要求学生在理解原文表面文字信息的基础上，作出一定的推理判断，从而得出文章的隐含意义和深层意义。推理判断题属于主观性较强的高层次阅读理解题，做这类题目时，同学们应严格依据作者所陈述的细节、事实以及作者的措辞、态度和语气等，找出能够表露作者思想倾向和感情色彩的词语，然后利用自己已获得的相关知识进行推理判断，从而得出符合逻辑的结论。

推理判断题中的正确选项是依据文章的事实或论据推断出的符合逻辑的结论或观点，它一般具有以下特征：

- (1)“立足原文，只推一步，”即根据原文内容，一步即可推得；
- (2)选项中一般不可以出现绝对概念，如 only、 never、 all、 absolutely 等，正确答案的表述一般有一点模糊，会用一些相对能够留有余地的词汇，如 often、 usually、 sometimes、 some、 may、 might、 can、 could、 possibly、 probably 等。

对于推理判断题，学生在平时的备考中要多注意从整体上把握语篇内容，判断文章体裁，通过分析文章

结构找到主题段，定位主题句，再分析其他各段与主题之间的关系，理清文章脉络和结构；此外，还应学会理解字里行间的隐含意义，在已知信息与未知信息之间架起桥梁，领会字里行间的“弦外之音”。具体方法如下：

技法(一) 根据特定信息和逆向思维进行推断

有些推理判断题，可根据题干提供的信息，到原文中去抓关键信息，然后进行分析、推理、判断，利用逆向思维，从而得出正确答案。

【典例】

On the other hand, being young and old at the same time has its attractions.I considered this when I met a thoughtful young businessman named Anthony.“Many people say that we lack culture in this country,” he told me.“What people forget is that the Italians, when they came to Australia, brought 2000 years of their culture, the Greeks some 3000 years, and the Chinese more still.We've got a foundation built on ancient cultures but with a drive and dynamism of a young country.It's a pretty hard combination to beat.”

He is right, but I can't help wishing they would keep those old ferries.

35.Which statement will the author probably agree with ?

A. A city can be young and old at the same time.

B.A city built on ancient cultures is more dynamic.

C.Modernity is usually achieved at the cost of elegance.

D.Compromise should be made between the local and the foreign.

解析 根据选段第一段第一句可知，作者认为一个城市新旧并存是非常有魅力的。根据下文中 Anthony 的 观点：a foundation built on ancient cultures but with a drive and dynamism of a young country 和选段第二段可知，Anthony 认为澳大利亚是一个建立在古老文化基础上并同时充满活力的年轻国家，作者认同其观点。学生做题时可根据题干提供的信息，利用逆向思维，找到原文信息从而得出正确答案。

自主解答 ____

技法(二) 根据作者的思想倾向和感情色彩推断观点态度

此方法适用于推断作者及文中人物的观点、态度、情感等。观点和态度一般分为三类：支持或反对、乐观或悲观、主观或客观。作者的这种思想倾向和感情色彩往往隐含在文中的字里行间。解答此类题目应多注意行文中的措辞，特别是具有感情色彩的形容词或副词。

【典例】 Although popular beliefs regarding emotional intelligence run far ahead of what research can reasonably support, the overall effects of the publicity have been more beneficial than harmful.The most positive aspect of this popularization is a new and much needed emphasis (重视) on emotion by employers, educators and others interested in promoting social well-being.The popularization of emotional intelligence has helped both the public and researchers re-evaluate the functionality of emotions and how they serve people adaptively in everyday life. 34.What is the author's attitude to the popularization of emotional intelligence ? A. Favorable. B. Intolerant. C.Doubtful. D. Unclear.	解析 根据选段第一句中的 Although popular beliefs regarding emotional intelligence run far ahead of what research can reasonably support, the overall effects of the publicity have been more beneficial than harmful.可知，作者认为情商的普及整体上利大于弊。由此可推知，作者对于情商的普及持支持态度。 自主解答 ____
--	---

技法(三) 利用语境的褒贬性进行信息推断

行文中的褒贬性反映了文中人物的情感态度以及作者的写作意图。利用好文章语境的褒贬性就能在把握主旨的基础上对文中人物或作者的观点态度进行准确的判断。

【典例】 In the sciences and arts, those praised as geniuses were most often white men, of European origin.Perhaps this is not a surprise.It's said that history is written by the victors, and those victors set the standards for admission to the genius club.When contributions were made by geniuses outside the club — women, or people of a different color or belief — they were unacknowledged and rejected by others.	解析 根据选段最后一句可知，当俱乐部之外的天才——女性、不同肤色或不同信仰的人——为社会作出贡献时，他们并不能得到认可。该句对当时的评价标准作出了否定，作者认为这种现象是不公平的。因此本题应从上文语境中对不公平的批评出发。
---	--

整合与题目相关的有用信息，综合起来去推理判断，从而确定最佳答案。

【典例】

The United States rose to global power on the strength of its technology, and the lifeblood of that technology has long been electricity. By providing long-distance communication and energy, electricity created the modern world. Yet properly understood, the age of electricity is merely the second stage in the age of steam, which began a century earlier.

“It is curious that no one has put together a history of both the steam and electric revolutions,” writes Maury Klein in his book *The Power Makers : Steam, Electricity, and the Men Who Invented Modern America*. Klein, a noted historian of technology, spins a narrative (叙述) so lively that at times it reads like a novel.

The story begins in the last years of the 18th century in Scotland, where Watt perfected “the machine that changed the world”. Klein writes, “America did not invent the steam engine, but once they grasped its possibilities they put it to more uses than anyone else.” Meanwhile, over the course of the 19th century, electricity went from mere curiosity to a basic necessity. Morse invented a code for sending messages over an electromagnetic circuit. Bell then gave the telegraph a voice. Edison perfected an incandescent bulb (白炽灯泡) that brought electric light into the American home.

Most importantly, Edison realized that success depended on mass electrification, which he showed in New York City. With help from Tesla, Westinghouse's firm developed a system using alternating current (交流电), which soon became the major form of power delivery.

To frame his story, Klein creates the character of Ned, a fictional witness to the progress brought about by the steam and electric revolutions in America during one man's lifetime. It's a technique that helps turn a long narrative into an interesting one.

26. What is the text ?

- A. A biography.
- B. A book review.
- C. A short story.
- D. A science report.

解析 文章首段通过电力和蒸汽引出 Maury Klein 的书，接下来对该书内容进行了介绍；最后一段提到为了构建他的故事，Klein 创造了 Ned 这个虚构的角色，Ned 在他的一生中见证了蒸

汽和电力革命给美国带来的进步，这是一种有助于将长篇故事变得有趣的技巧。由此可推知，本文是一篇书评。

自主解答 _____

技法(六) 根据文章体裁和内容推断文章出处

判断文章出处的题目应从文章的体裁和内容着手。一般来说，报纸上的新闻前面会出现日期、地点或通讯社名称等；广告类文章因其格式特殊，容易辨认；产品说明类文章如器皿、设备的使用说明会有产品名称或操作方式；药品的服用说明会告知服用的时间、次数、药量等；来自网络的文章一般比较新颖，时效性强。

【典例】 Grading Policies for Introduction to Literature Grading Scale 90—100, A; 80—89, B; 70—79, C; 60—69, D; Below 60, E. Essays (60%) Your four major essays will combine to form the main part of the grade for this course: Essay 1=10%; Essay 2=15%; Essay 3=15%; Essay 4=20%. Group Assignments (30%) Students will work in groups to complete four assignments (作业) during the course.All the assignments will be submitted by the assigned date through Blackboard, our online learning and course management system. Daily Work/In-Class Writings and Tests/Group Work/Homework (10%) Class activities will vary from day to day, but students must be ready to complete short in-class writings or tests drawn directly from assigned readings or notes from the previous class' lecture/discussion, so it is important to take careful notes during class.Additionally, from time to time I will assign group work to be completed in class or short assignments to be completed at home, both of which will be graded. Late Work An essay not submitted in class on the due date will lose a letter grade for each class period it is late.If it is not turned in by the 4th day after the due date, it will earn a zero.Daily assignments not completed during class will get a zero.Short writings missed as a result of an excused absence will be accepted. 21.Where is this text probably taken from?	解析 根据文章标题 Grading Policies for Introduction to Literature(文学导论课程评分规则)以及 Essays (60%)中的 the grade for this course (本课程的成绩)和 Group Assignments (30%)中的 Blackboard, our online learning and course management system (Blackboard 在线学习和课程管理系统)可推知, 本文是对一个文学导论课程评分规则的详细介绍, 应该选自一个课程方案。 自主解答 ——
---	--

A. A textbook. B. An exam paper. C.A course plan. D. An academic article.	
---	--

技法(七) 理解文章大意、把握写作意图

做推理判断题时，学生应对文章有完整、准确的理解，从总体上把握文章的主题，善于抓住文中的关键词或关键句，对文章的引申含义进行分析。整合与题目相关的信息，综合起来去把握写作意图，确定最佳结论。

【典例】 We prefer to describe emotional intelligence as a specific set of skills that can be used for either good or bad purposes.The ability to accurately understand how others are feeling may be used by a doctor to find how best to help her patients, while a cheater might use it to control	解析 根据选段内容可知，作者在这一段首先陈述了一个观点，即我们更喜欢将情商描述为一套既可用于好的目的，也可用于坏的目的的特定技能，然后作者通过“医
---	--

potential victims. Being emotionally intelligent does not necessarily make one a moral person.	生”和“骗子”的例子来阐释这个观点。
33. Why does the author mention “doctor” and “cheater” in paragraph 2 ?	自主解答
A. To explain a rule.	
B. To clarify a concept.	
C. To present a fact.	
D. To make a prediction.	

A

When Oumou Dieye first started competing against men in the sport of golf, she was not confident and felt a little afraid. The men did not want to play golf with her nor did they take her seriously. But then, she won her first game. After that, she had all the confidence she needed to keep playing and defeating male golfers.

Dieye is the only professional female golfer in Senegal. She was introduced to golf by her brother-in-law and immediately fell in love with it. Not long after she began competing, Dieye was given a chance to train in Morocco. With the financial support from her French golf partners, she spent three months training with the Royal Moroccan Golf Federation. She said she enjoyed the experience so much that she returned to Morocco and stayed for seven years. While in there she also taught children at a golfing school.

Today her home is filled with many golfing awards. She has won so many that she has lost track of the number. What she has done is notable because Senegal is a conservative nation. There is much pressure from society for women to be involved in professional sports. And the culture still has traditional ideas of what women should do. A woman who chooses sports over duties at home risks being rejected by her family. At first, her family was not supportive. But after seeing her love of the sport, they changed their minds.

In 2018, when Dieye returned from Morocco, she was not happy about the state of golf in her home country. She wanted to create a golf school similar to the one in Morocco. In 2020, the Senegalese Golf Federation agreed to help Dieye establish a golf school in preparation for the 2026 Summer Youth Olympics in Dakar. It will be Dieye's job to train Senegal's first national golf team. This will involve preparing female golfers — including her own daughter.

语篇解读：本文是一篇记叙文。文章主要讲述了塞内加尔女高尔夫球运动员 Oumou Dieye 的成功之路，以及她为塞内加尔高尔夫球运动作出的贡献。

1. What was the situation when Dieye first played golf with male players?

- A. She was a shy girl short of social skills.
- B. Her family didn't support her golf career.
- C. They didn't think she was a worthy competitor.
- D. She was the only female golfer of the country.

2. What can we learn about the country of Senegal?

- A. It has received financial support from France.
- B. Women there are encouraged to stay at home.
- C. Sports play an important part in people's lives.
- D. Golf players are very popular in the country.

3. Which of the following best describes Dieye?

- A. A pioneer.
- B. An explorer.
- C. A producer.
- D. An investigator.

o

B

Being taken off the endangered species list doesn't guarantee a carefree future for whales. Recent research estimates that the population of Pacific gray whales off North America's West Coast has dwindled by almost a quarter since 2016. Starting in 2019, alarming numbers of dead gray whales were spotted on beaches and floating offshore throughout their habitat, from Mexico to Alaska. The National Marine Fisheries Service defined it as an “Unusual Mortality Event (UME)”. UMEs are declared when a “significant die-off” occurs and when information is collected to clarify why it occurs.

The Arctic has had historically low levels of sea ice in recent years, upending the delicate ecosystem that sustains gray whales. Like other migrants, they don't feed on their winter breeding grounds (繁殖地) or along their migration, and must gain weight during the summer to sustain themselves through the rest of the year. Observers using air photography noted the whales looked skinnier and arrived in Mexico in poor condition, which suggested they were not finding enough food during the summer.

This die-off is alarmingly similar to the events of 20 years ago, when another UME resulted in a significant drop in the gray whale population. Although the cause was ultimately undetermined, it was thought that the population reached “carrying capacity” — it grew too large for the environment to support it. Although that idea has been suggested for this die-off as well, it's more likely blamed on the changing conditions of the Arctic.

Gray whales, hunted almost to extinction by the mid-20th century, were one of the first to be protected from hunting. The eastern North Pacific population rebounded without pressure from whaling and was taken off the endangered species list; the western North Pacific population is still listed as endangered. This die-off is a reminder that “delisting” doesn't indicate a population's secure future. New threats arise, climate change upends habitats, and continued monitoring is needed in case a crash comes.

语篇解读：本文是一篇说明文。被从濒危物种名单上除名并不能保证鲸的未来无忧无虑。北美西海岸太平洋灰鲸的数量减少了近四分之一。

4. What does the underlined word “dwindled” in Paragraph 1 mean?

- A. Increased.
- B. Bounced.
- C. Multiplied.
- D. Dropped.

5. What will gray whales usually do in winter?

- A. Consume few calories.
- B. Travel south to breed.
- C. March back to Alaska.
- D. Seek food in the Arctic.

6. What might be the main cause of the current UME?

- A. Serious illnesses.
- B. Sea pollution.
- C. Environmental changes.
- D. Limited carrying capacity.

7. What's the author's attitude to the “delisting” ?

- A. Favorable.
- B. Concerned.

C. Intolerant.

D. Regretful.
